

Bridges Built

Four bridges were built to cross the reservoir—Loch Raven Bridge No. 1/Yellott on Loch Raven Drive; Loch Raven Bridge No. 2/Matthews on Dulaney Valley Road; Warren Bridge on Warren Road; and Paper Mill Bridge on Paper Mill Road.

This map of the Loch Raven reservoir, prepared by the Loch Raven Fishing Center, has been annotated to show the location of new bridges built in the reservoir after the completion of the upper dam. Maryland Inventory of Historic Properties, BA-1138 Loch Raven Bridge #1." Retrieved from HSBC vertical file "Loch Raven Reservoir."

Bridge No. 1 on Loch Raven Drive, Baltimore County.

Bridge No. 1, also known as the Yellott Bridge, 1914, photograph.
